Make a Scene: Spend 3 Hope to temporarily Distract a target within Close range, giving them a -2 penalty to their Difficulty.

Rally: Once per session, describe how you rally the party and give yourself and each of your allies a Rally Die. At level 1, your Rally Die is a d6. A PC can spend their Rally Die to roll it, adding the result to their action roll, reaction roll, damage roll, or to clear a number of Stress equal to the result. At the end of each session, clear all unspent Rally Dice. At level 5, your Rally Die increases to a d8.

Evolution: Spend 3 Hope to transform into a Beastform without marking a Stress. When you do, choose one trait to raise by +1 until you drop out of that Beastform.

Beastform: Mark a Stress to magically transform into a creature of your tier or lower from the Beastform list. You can drop out of this form at any time. While transformed, you can't use weapons or cast spells from domain cards, but you can still use other features or abilities you have access to. Spells you cast before you transform stay active and last for their normal duration, and you can talk and communicate as normal. Additionally, you gain the Beastform's features, add their Evasion bonus to your Evasion, and use the trait specified in their statistics for your attack. While you're in a Beastform, your armor becomes part of your body and you mark Armor Slots as usual; when you drop out of a Beastform, those marked Armor Slots remain marked. If you mark your last Hit Point, you automatically drop out of this form.

Wildtouch: You can perform harmless, subtle effects that involve nature—such as causing a flower to rapidly grow, summoning a slight gust of wind, or starting a campfire—at will.

Frontline Tank: Spend 3 Hope to clear 2 Armor Slots.

Unstoppable: Once per long rest, you can become Unstoppable. You gain an Unstoppable Die. At level 1, your Unstoppable Die is a d4. Place it on your character sheet in the space provided, starting with the 1 value facing up. After you make a damage roll that deals 1 or more Hit Points to a target, increase the Unstoppable Die value by one. When the die's value would exceed its maximum value or when the scene ends, remove the die and drop out of Unstoppable. At level 5, your Unstoppable Die increases to a d6. While Unstoppable, you gain the following benefits:

- You reduce the severity of physical damage by one threshold (Severe to Major, Major to Minor, Minor to None).
- You add the current value of the Unstoppable Die to your damage roll.
- You can't be Restrained or Vulnerable.

FEATURES

Hold Them Off: Spend 3 Hope when you succeed on an attack with a weapon to use that same roll against two additional adversaries within range of the attack.

Ranger's Focus: Spend a Hope and make an attack against a target. On a success, deal your attack's normal damage and temporarily make the attack's target your Focus. Until this feature ends or you make a different creature your Focus, you gain the following benefits against your Focus:

- You know precisely what direction they are in.
- When you deal damage to them, they must mark a Stress.
- When you fail an attack against them, you can end your Ranger's Focus feature to reroll your Duality Dice.

Rogue's Dodge: Spend 3 Hope to gain a +2 bonus to your Evasion until the next time an attack succeeds against you. Otherwise, this bonus lasts until your next rest.

Cloaked: Any time you would be Hidden, you are instead Cloaked. In addition to the benefits of the Hidden condition, while Cloaked you remain unseen if you are stationary when an adversary moves to where they would normally see you. After you make an attack or end a move within line of sight of an adversary, you are no longer Cloaked.

Sneak Attack: When you succeed on an attack while Cloaked or while an ally is within Melee range of your target, add a number of d6s equal to your tier to your damage roll.
